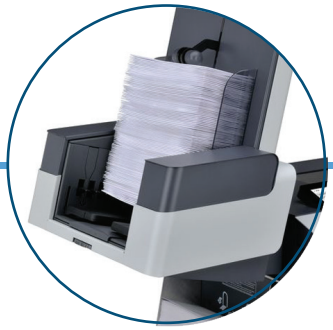
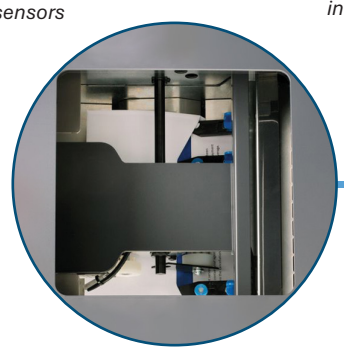
The **6308 Series Inserters** combine user-friendly features with high productivity and are available in four configurations with standard and special feeders, and short feed trays. User-friendly innovations include a **7" full-color touchscreen control panel** and the ability to **store up to 50 programmable jobs.** Standard features include a **high-capacity vertical output stacker** which holds up to 500 finished envelopes, **automatic paper and envelope presence sensors** with graphic indicators on the control panel, and a **large top-loading envelope hopper** with a capacity of up to 325 envelopes. Models with intelligence feature a **full-width CIS scanner** to read OMR, 1D and 2D barcodes and QR codes. Productivity enhancing options include a Production Feeder, short feed trays, Advanced OMR/BCR, MailDoc™ Software, and a side exit tray for up to 400 envelopes.

Graphics-Based Color Touchscreen
Quick and easy job setup, with paper and envelope presence sensors



High-Capacity Vertical Stacker
Holds up to 500 filled envelopes in a neat, sequential order

Easy-Load Document Feeders
Various configurations from high capacity to short feed trays



Visible Insert Area
Allows users to see the insert area without stopping or opening the inserter

*Full-Page CIS Scanner**
Reads OMR, 1D, and 2D BCR codes printed horizontally or vertically
